

# Investing for Success

**Under this agreement for 2017  
Trebonne State School will receive**

**\$5,030**

## This funding will be used to

- improve staff capability in the explicit teaching of reading through focused coaching and professional development (PAT, PROBE, PM Benchmark kit)
- provide a targeted reading intervention program for Prep, Year One and Year Two

## Our initiatives include

- provide focused and intensive teaching for students requiring additional support to demonstrate an increase in reading levels and comprehension
- increasing hours for skilled teacher aids working with teachers to deliver specific intervention programs

## Our school will improve student outcomes by

- purchasing teacher aide hours to assist classroom teachers with explicit reading pedagogy (\$3000)
- providing professional development for teachers and teacher aides to further develop their capacity to work with students who require targeted teaching, including students who require extension (\$1000)
- purchasing reading resources (\$1030)
